International Conference on
Kinetic Equations and Related Topics
-----In honor of Professor C. Bardos on the Occasion of His 75th Birthday

Wuhan, China, September 13-19, 2015

The international conference on "Kinetic Equations and Related Topics" will be held at Wuhan University from September 13 to September 19, 2015. This conference is organized and sponsored by LIASFMA (Laboratoire International Associé Sino-Français de Mathématiques Appliquées) and Wuhan University. The aim of this conference is to provide a forum for presenting and discussing trends and developments in Kinetic Equations and Related Topics, and to promote closed collaborations in these fields.

Scientific Committee:

Hua Chen   Jean-Michel Coron   François Golse (Co-Chair)   Tatsien Li (Co-Chair)   Tong Yang

Local Organizing Committee:

Hua Chen (Chair)   Weixi Li   Xiaochun Liu   Zhuangchu Luo   Huijiang Zhao

Featured topics:

✧ **Boltzmann Equations**
✧ **The system of Navier-Stokes Equations**
✧ **The system of Euler Equations**

List of invited speakers:

Kazuo Aoki (Kyoto Univ.)	**Nicolas Besse (Univ. Lorraine)**	**Alexander V. Bobylev (Karlstads Univ.)**
Irene M. Gamba (Univ. Texas)	**Shi Jin (Univ. Wisconsin Madison)**	**Hailiang Li (Capital Normal Univ.)**
Ruo Li (Peking Univ.)	**Tai-Ping Liu (Stanford Univ.)**	**Xuguang Lu (Tsinghua Univ.)**
Peter Markowich (Univ. Cambridge)	**Norbert Mauser (Univ. Wien)**	**Evelyne Miot (Univ. Paris-Sud)**
Stéphane Mischler (Univ. Paris IX)	**Anne Nouri (Univ. d'Aix-Marseille I)**	**Benoît Perthame (Univ. P. et M. Curie)**
Olivier Pironneau (Univ. P. et M. Curie)	**Rémi Sentis (DIF Bruyères)**	**Yoshio Sone (Kyoto Univ.)**
Shigeru Takata (Kyoto Univ.)	**Cédric Villani (Lyon Univ.)**	**Bernt Wennberg (Chalmers Univ. Tech.)**
Zhouping Xin (The Chinese Univ. HK.)	**Huijiang Zhao (Wuhan Univ.)**
